

The 2010 Ultimate Floating Success Seminar Cruise

In order to ensure that you will get absolutely the most out of your participation in the 2010 Ultimate Floating Success Seminar Cruise, the Grants and Blackburns have decided to include a full day and a half day seminar in Los Angeles on the days before the cruise begins.

For this reason, the seminar will start at the Sheraton Gateway Los Angeles Hotel on the morning of December 4th 2010

Seminar Times

10.30 am – 4.30pm on Saturday December 4th
9.30 am – 1.00 pm on Sunday December 5th

Where:

Sheraton Gateway LAX
6101 West Century Boulevard
Los Angeles, Ca 90045

The Sheraton Gateway is conveniently located near LAX airport at Los Angeles for those coming in direct from Australia or the UK. There is a complimentary shuttle service from the airport to the Gateway Hotel – about a 5 minute drive.

The hotel has been recently renovated and now combines a distinctive blend of classic luxury with current technologies and resort amenities.

Amongst recent reviews for the hotel are:

“The hotel was very nice with a trendy/contemporary vibe. The room was very tastefully decorated, clean and beds were comfortable. The hotel was quiet and we slept well. Check in/out was quick. The breakfast bar the next morning was delicious and fresh. “

“I can tell you that the service at this hotel is consistently better than anything I have ever experienced including that at 5 star resorts in major cities throughout the world. “

One of the great outcomes from our past cruises has been the amazing growth and joint venture opportunities that have formed as a result of contacts and networking relationships formed amongst the group.

One of the real advantages of staying in the hotel providing the seminar is the opportunity to mix with and get to know others in the group even before boarding the ship, and thus improve an increased chance to build these relationships early.
